Subject : Safety Performance

Greetings,

We have noted that BEMCO has completed over two (2) million manhours of work at PP10 Site without any lost time accidents. SEC considers that BEMCO has achieved this high level of safety performance through their dedication & commitment for the safety of personnel & equipment. SEC appreciates BEMCO's efforts in this regard and hopes that BEMCO would continue to maintain a high level of safety performance until completion of PP10 Project.

Regards,

ENGR. ABDULAZIZ S. AL-MUAIJEL
